

Offerings from this year's Grace Lenten Soup Suppers totaled \$531.00! India Transformed, our primary global mission beneficiary, and official mission partner of the NALC, is the recipient of these funds, which are being used to support the Children's Program, with a goal of growing the ministry to 1,000 children/year. Since it's launch in 1992, the ministry has had a great impact on material and spiritual poverty in India: 5,000+ impoverished children cared for and educated 1,800+ abandoned women vocationally trained and employed 1,500+ community leaders trained 10,000+ graduates of private K-12 school ... *and much more.*
