

Lifewise hired Kim Huffman to be the Program Director for the Academy in West Carrollton. Kim was the chair of our community steering committee, is a longtime member of Family Church in West Carrollton, and together with her late husband launched and oversaw a summertime student ministry in West Carrollton.

The immediate next step is the formation of a leadership board for our West Carrollton program. The leadership board assists with the program launch and provides input and direction to the program director as she manages the day-to-day operations of the program.

The leadership board assists the program director in the following areas:

- Leadership: Recruit and onboard program staff and volunteers
- Location: Research, secure and prepare facility and transportation
- Logistics: Coordinate details and maintain positive communications with school
- Loot: Spearhead the fundraising effort Ledger:
- Ensure: All public communications are excellent and contain proper messaging
- Budget: Manage finances

If you're interested in joining the leadership board or know of someone who may be interested, apply **HERE**.

Lifewise Academy gives school students religious instruction during the school day. Its curriculum is designed to take students through the entire Bible, beginning in Genesis and ending in Revelation, over the course of five years. It emphasizes traits like responsibility, empathy, love, kindness and respect.
